

Allusions

Write an allusion appropriate for each scenario.

1)

Sweet foods have always enjoyed their importance in The Big Apple's ever-bustling dining scene. At Sweet Treats, a longtime Italian bakery in the heart of Little Italy, it's hard for people to pick just one favorite. One has to sit down and taste the café's cannoli - an absolute must-have. The bakery has a huge menu of cookies - ranging from piglioli to rainbow cookies to more

2)

World leaders' inexcusable inaction on this grave concern. They think leaders are simply enjoying themselves and continuing their governance as normal without giving any attention to climate change. Further, they say the authorities must stop doing useless things and pretending that nothing is wrong.
