## Creating a Box Plot

1) A teacher recorded the test scores, out of 100 , for a class of 20 students. The scores are as follows:
$87,78,92,65,72,85,90,88,76,82,95,68,75,83,80,91,89,84,70$, and 79
Create a box-and-whisker plot for the test scores.

| Minimum | $\mathrm{Q}_{1}$ | $\mathrm{Q}_{2}$ | $\mathrm{Q}_{3}$ | Maximum |
| :---: | :---: | :---: | :---: | :---: |
|  |  |  |  |  |
