

Cause and Effect

Cut each cause and effect and glue it correctly so there are eight cause-and-effect examples.

Cause and Effect

Ryan practiced hard for the race.

I gave some to my friends.

Jeff gifted Lisa a necklace.

Peter's hair looked shabby.

He went to the barbershop.

Smith had many gifts to deliver.

A few rabbits ate the carrots.

The cat was thirsty.

It was Jeff and Lisa's anniversary day.

Grandmother gave me a dollar.

There were too many cookies.

The carrots were left in the field.

It drank water from the bowl.

He won the race.

He was in a hurry.

I bought an ice cream.
