

Double Negatives

A **double negative** occurs when there are two negatives in a construction. Except in rare cases, using double negatives is not a great idea.

Check the option that helps complete each sentence without using a double negative.

1) Tricia _____ barely afford to have a roof over her head.

2) _____

3) _____

4) _____

5) _____

6) We haven't received _____ letter from the Martins.

- a) no b) any

7) We hardly _____ the time to complete the chores.

- a) had b) didn't have

8) Anthony hadn't _____ visited a more beautiful city than Rome.

- a) never b) ever
