Sara wrote a letter to Grace, her music-loving friend, inviting her to a concert that she had just won tickets for. The letter contains several errors. Spot the errors, correct them, and rewrite the letter.

Dear Grace,

I'm writing to let you know that I've one Three ticket for the stone tulips concert this Saturday. I was wandering if you'd like to join me to the gig.

I've being meaning to contact you since january, and this will be a perfect occasion for us to catch up. As I have three tickets I'm going to ask tonya if she's keen to go with us to the events, too. The Show starts at 7'o clock, so we must be their by at least 6.30 to avoid any last minute confusion.

I won the tickets by answer two simple question about the band, but I have to call five times before I got through and finally won the tickets.

Let me know if you can make it as soon as possible.

Best wishes

Sara
