

# Adding Fractions Using Visual Models

Observe the fraction models and complete the addition equations.

$$\frac{2}{5} + \frac{3}{10} = \boxed{\phantom{000}}$$

$$\frac{2}{3} + \frac{1}{6} = \boxed{\phantom{000}}$$

$$\frac{1}{4} + \frac{3}{8} = \boxed{\phantom{000}}$$

$$\frac{5}{6} + \frac{7}{12} = \boxed{\phantom{000}}$$

$$\frac{4}{9} + \frac{1}{3} = \boxed{\phantom{000}}$$
