

# Predicate Adjectives

---

**Definition: A predicate adjective is an adjective that follows a linking verb and describes the subject of the sentence.**

Example: Catherine looks dazzling in the new dress.

**Identify the predicate adjective in each sentence.**

- 1) The math assignment was difficult.
- 2) The food smells delicious.
- 3) The song sounds soothing.
- 4) The dog looked friendly.
- 5) The two houses appeared identical.
- 6) The memory still remains sweet.
- 7) The cookie tasted yummy.
- 8) Misty is still undecided about the new job.
