

Identifying Adverbs

An adverb is a word that gives more information or modifies an adjective, a verb, a clause or another adverb.

Example: Anna laughed merrily while watching a hilarious movie.

Underline the adverbs in each sentence.

- 1) The young man briskly walked down the hallway.
- 2) The ballerinas are beautifully dressed for the Spring Recital.
- 3) Shane devoured the pancakes hungrily.
- 4) The cake was so delicious that Dan ate all of it.
- 5) Jennifer will quickly finish the assignment.
- 6) Owen came pretty early for his swimming lesson.
- 7) Fiona accidentally dropped the flower case.
- 8) As the baby was sleeping, Nina moved across the room quietly.
- 9) Thankfully, the pain in my foot has subsided.
- 10) The wolf snarled menacingly at the deer.
