

Indefinite Articles

An article is a word that helps define a word as specific or unspecific. The two indefinite articles are a and an. The article “a” is used before a consonant sound, and “an” is used before a vowel sound.

Add an indefinite article to each word.

_____ cat 	_____ apple 
_____ igloo 	_____ coat 
_____ laptop 	_____ owl 
_____ snail 	_____ umbrella 
_____ book 	_____ elephant
