

Negative Sentences - Positive Tags

A tag question converts a statement into a question. If the statement is positive, we use a negative tag question. If the statement is negative, we use a positive tag question.

Example: You don't watch TV, do you?

Complete the sentences with positive tag questions.

1)	
2)	
3)	
4)	
5)	
6)	
7)	Will couldn't come,
8)	Your brother isn't here,
9)	Today's exam wasn't easy,
10)	I haven't met you before,
