

## Negative Sentences - Positive Tags

A tag question converts a statement into a question. If the statement is positive, we use a negative tag question. If the statement is negative, we use a positive tag question.

**Example:** We aren't going to the mall, are we?

Complete the sentences with positive tag questions.

1)	
2)	
3)	
4)	
5)	
6)	
7)	Uncle Nate won't be working,
8)	Wendy hasn't been eating junk food,
9)	The cows hadn't been grazing in the field,
10)	We mustn't talk to strangers,
