

# Food and Feeding Habits of Animals

---

Match each animal to how it eats.

- |    |   |   |   |   |
|----|---|---|---|---|
| 1) |    | ● | ● | tears and<br>chews flesh                      |
| 2) |    | ● | ● | sticks out its<br>tongue to catch<br>its prey |
| 3) |   | ● | ● | gnaws   |
| 4) |  | ● | ● | swallows food<br>without<br>chewing           |
| 5) |  | ● | ● | chews its cud                                 |
