

# Inferences

---

Make an inference from the details of each job and answer the question.

- 1) My name is Ryder, and I wear bunker gear. I hear the alarm and slide down the pole, for the sooner I arrive, the sooner everything is under control. Fighting fire is the job I do; I turn up in a big red truck ready to rescue you.

**Who am I?**

3)

4)

and uses a stethoscope.

**Who is Jenny?**

---

- 5) I'm Tom, and I own a farm. I plow the land and sow seeds; I grow the food you eat. I also raise animals. I drive a tractor and wear overalls. Sometimes, I'm exhausted; but my work is never in vain, for it will soon result in gain.

**Who is Tom?**
