

Long I

Read each what-am-I question, figure out the thing that talks about itself, and write the answer choosing from the word box.

sky bike night hive

1) I live in the dark. People are back home by the time I arrive. I come at dusk and leave at dawn.

What am I?

2) I'm blue or grey during the day, red in the evening, and black at night. I can see the sun, stars, and airplanes. What am I?

3) I'm a place swarming with yellow-and-black flying insects. The queen bee and the worker bees live here. What am I?

4) I'm a two-wheeled vehicle. I have pedals and a handlebar. What am I?
