

Phrasal Verbs

A three-part phrasal verb has three words.

Example: Cory could not get rid of the oil stains from her dress.

Underline the three-part phrasal verb in each sentence.

1) We were surprised to find out that the company had been run out of business.

2) The company had to close down because of the recession.

3) The company had to close down because of the recession.

4) The company had to close down because of the recession.

5) The company had to close down because of the recession.

6) Fiona dropped out of the dance competition after the accident.

7) Dan's classmates were very easy to get along with.

8) We must cut down on ice cream during winter.
