

Top and Bottom

A) Observe each image and check “top” or “bottom” as relevant.

1)

The chicken is at the **top** / **bottom** of the house.

2)

The cat is at the **top** / **bottom** of the flagpole.

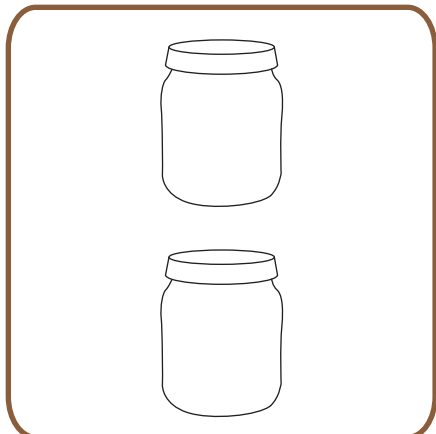

3)

The star is at the **top** / **bottom** of the Christmas tree.

B) Observe each image, and color the picture at the top or bottom as directed.

1) Color the jar that is at the bottom.

2) Color the bell that is at the top.
