thing we have to fear is fear itself." This meant that fear can hold us back, and we should be brave in the face of challenges.

Despite facing a lot of difficulties, FDR stayed positive and worked hard to make things better. He believed that the government should help take care of its people.

He served as president for four terms, longer than anyone else in history. His leadership helped America become stronger and more united.

Franklin D. Roosevelt

Franklin D. Roosevelt is remembered as a leader who guided the country through tough times with courage and determination.
