

# Spiders

---

Bianca and Elsa were the best of friends, but there was something that made them quite different: their feelings about spiders.

One sunny afternoon, Bianca was in her

Elsa marveled at the intricate designs the spiders created. To her, they were like little architects, building homes for themselves and catching tasty insects for dinner.

As the day went on, Bianca and Elsa met in the yard. Bianca told Elsa about the spider on her wall and how scared she'd been. Elsa listened with empathy and then shared her own adventures with the world of spiders.
