

Sequencing

Write 1, 2, 3, and 4 to indicate the order of events in each set.

The next day, the stork invited the fox to her house for dinner.	
The fox invited the stork for dinner and served soup in a bowl.	
When the soup was served in long vases, the fox realized his mistake.

When he said it a third time, hardly anybody laughed.	
A wise man told a joke to a group of people, and they all laughed.	

A lion came out of his den looking for something to eat.	
But the swift deer got away, so the lion remained hungry.	
He let the rabbit go and went after the deer instead.	
He caught a small rabbit, but then he saw a big deer nearby.
