

Sequencing

Write 1, 2, 3, and 4 to indicate the order of events in each set.

But the puppy went to the pond as he was curious.	
The mama dog told her puppy not to play near the pond.	
He realized his mistake and had to be rescued by a farmer.

He gave up, saying the grapes were too sour anyway.	
He came upon a tree with juicy bunches of grapes.	

Little Jimmy saw an apple tree laden with fruit.	
He got tired of waiting, so he finally picked an apple to eat.	
He lay down under the tree and waited for an apple to fall.	
He wanted some apples, but he was too lazy to pick them.
