

Sequencing

Jenna spent last Saturday cleaning her house. Here's a passage showing the timeline of the day.

Jenna started at 10.00 a.m. with a few rounds of laundry for colors, whites, delicates, and linen. At 12.00 p.m., she got around to vacuuming the floors and dusting the curtains. From 2 o'clock in the afternoon, Jenna spent a couple of hours cleaning the bathrooms in her house. At around 04.00 in the evening, she did the dirty dishes piled high in her sink, taking help from her dishwasher. She started scrubbing her kitchen counters and polishing the appliances at 06.00 p.m. before
