

# Fixing the Car

Create a story by putting the sentences below in the correct order.

Brandy gasped. "Me?" Could she really help? "Sure!" she said.

After a while, Grandpa pulled an old rag from his pocket and wiped his hands. "You sure were a big

Sometimes the tools were too heavy, or the job was too hard for her small hands. On those times, Grandpa did the job instead.

"This old car needs new spark plugs," Grandpa said. "Do you want to help me change them? It is an important job."

Many tools looked alike. How did he know the difference between them? "What are you doing, Grandpa?" Brandy asked.
