

# Shift in Verb Tenses

---

Rewrite the story by correcting the inappropriate tense shifts in it.

A tall maple tree stood in the yard. Leaves fall from the tree. The leaves drifted through the air. They will drop to the ground below.

Luke liked the leaves that fall. He used a rake to make a pile of them. When he had a big pile, he jumps into it.

"What are you playing?" asked Kate. She lives next door.

"I'm playing in the leaves," said Luke. "Do you want to play with me?"

"Yes, I would like to play!" Kate replied. She will pick up another rake and help Luke make a new pile.

The pile of leaves becomes bigger and bigger. When they had raked all the leaves around the tree, they will hold hands.

"Let's jump on the count of three," Luke said.

Together, they will count. "One, two, three!"

Luke and Kate jumped. Leaves blew into the air. Luke and Kate laugh.

Luke loved fall-time fun.
