

Short U

Read the passage and highlight the words with the short “u” sound.

Buck’s Birthday Party

Today is Buck’s birthday. Before the party started, he drank a cup of milk. His mom made a large plum cake with lots of nuts on the top. His father gave him a new set of drums as his birthday present. His sister gave him a mug that said “Lots of Smiles and Luck!” Buck gave a jump of joy and a big hug to them all. He cut the plum cake, and everyone ate it without leaving a single crumb! It was a fun day for Buck!
