Hop on! Enjoy the ride through the amusement park. Count by 6s, and complete the path.

The path is a winding track through an amusement park. It starts at a train with a purple engine and five colorful cars (purple, green, orange, yellow, blue). The path is divided into colored segments with numbers. The numbers are: 6, 18, 42, 60, 84, 96, 114, 138, 156, 168, 192, 210, 234, 252, 264, 282, 294. The path ends at a train station with a sign that says "TRAIN STATION". Other amusement park features include a carousel with a colorful umbrella, a Ferris wheel, a seesaw with a girl and a boy, a swing set, a slide, and a circus tent.
