

Transportation

Match each description to the vehicle it talks about.

1) Leonard is a cab driver. He carries in his car a limited number of passengers between locations of their choice for a fare.

2) Mr. Collins drives a white colored vehicle with a siren, which takes people who are sick or hurt to the hospital.

3) Br

6) Ho
help or his tractor, which has big tires and an engine. The vehicle helps him in agriculture and construction; it does other tasks too.

7) Shane is the captain of a ship. His vehicle carries people or goods by sea.

8) Hailey takes the bus to her college every day. In a bus, passengers can simply sit, relax, and enjoy the ride, while the bus driver helps them reach their destinations safely.
