

Making Ten

Draw additional counters to make 10. Write the number of counters added and complete the addition equation.

$$1 + \square = 10$$

$$2 + \square = 10$$

$$8 + \square = 10$$

$$4 + \square = 10$$

$$6 + \square = 10$$

$$9 + \square = 10$$

$$5 + \square = 10$$

$$7 + \square = 10$$
