

Properties of Addition

Write the missing numbers using the properties of addition.

$$\begin{array}{l}
 1) \quad 8 + 23 + 12 = \underline{\quad} + \underline{\quad} + 23 \\
 \quad \quad \quad = \underline{\quad} + 23 \\
 \quad \quad \quad = \underline{\quad} \\
 2) \quad 51 + 35 + 9 = \underline{\quad} + \underline{\quad} + 35 \\
 \quad \quad \quad = \underline{\quad} + 35 \\
 \quad \quad \quad = \underline{\quad}
 \end{array}$$

3) 16
