Pairs of Angles
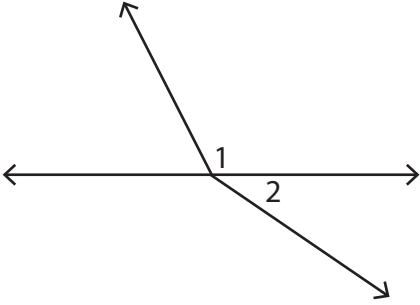

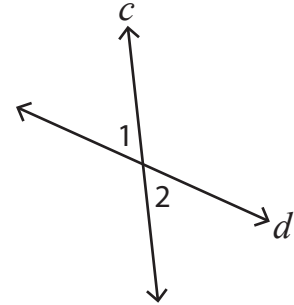

In each figure, identify ∠1 and ∠2 as adjacent, vertical, or linear.

1)
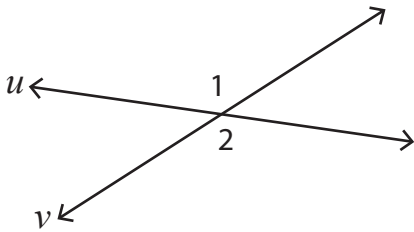

adjacent angles .

2) c and d are straight lines.
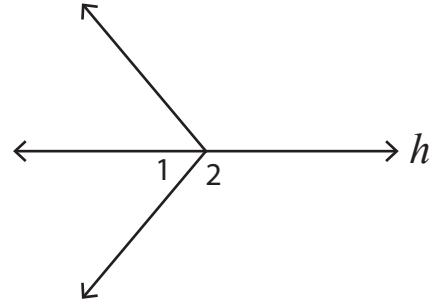

vertical angles .

3) u and v are straight lines.

vertical angles .

4) h is a straight line.

adjacent and linear angles .

5) r is a straight line.

adjacent and linear angles .

6)

adjacent angles .
