

# Drawing Bar Graphs

- 1) The points scored by Mary, Bob, Gina, and Allan in an online game are given below. Represent this data on a bar graph.

Players' Name	Mary	Bob	Gina	Allan
Points Scored (in hundreds)	3	10	5	8

- 2) Farmers in the USA sell their food commodities directly to consumers. The table below shows details of direct farm sales by 4 states. Represent the information on a bar graph.

States	Amount (in millions)
New York	3
Pennsylvania	2
California	10
Michigan	7
