

Representing Data Using Line Graphs

- 1) Given below is Montgomery High School's record of student enrollment in the music club. It shows the number of new students who joined the club over a 6-year period. Draw a line graph to represent the data.

Years	Number of Students
2014	15
2015	40
2016	60
2017	35
2018	70
2019	65

- 2) Given below is the production data of a small candle company. The table shows how many candles were made each day of a week. Draw a line graph to represent the data.

Days of the Week	Number of Candles
Monday	400
Tuesday	500
Wednesday	700
Thursday	900
Friday	600
Saturday	500
Sunday	800
