

Skip Counting by 12s

Hop on! Enjoy the ride through the amusement park. Count by 12s, and complete the path.

The path is a winding track for a train, starting at a station and ending at a station. The path is divided into segments with numbers for skip counting by 12s. The train starts at a station and ends at a station. The path includes various amusement park rides like a carousel, Ferris wheel, seesaw, and playground equipment.

The numbers on the path are: 12, 36, 60, 96, 132, 168, 204, 240, 264, 300, 336, 360, 396, 420, 456, 480, 504, 540, 564, 600.
