

Creating Back-to-Back Stem-and-Leaf Plots

- 1) Bianca and Jodie saved a part of their monthly allowances over the course of one year. The amounts in dollars saved by Bianca and Jodie are recorded below. Make a back-to-back stem-and-leaf plot of the data.

Bianca	55	64	31	34	30	24	45	44	35	42	50	33
Jodie	63	41	23	45	37	54	51	50	57	58	47	20
