

## Reading and Interpreting Stem-and-Leaf Plots

- 1) Students of Lehigh Valley School were training for a swimming championship. The stem-and-leaf plot shows how many seconds the students swam 100m freestyle in. Read and interpret the plot to answer the questions.

Stem	Leaf
50	1 3 5 5 7 8
51	2 4 6 8 8 9
52	0 1 3 4 5 7

Key: 50 | 3 = 50.3 seconds
